The National American Association for Women in Community Colleges (AAWCC) is pleased to announce its annual scholarship for women who are pursuing or are interested in pursuing a doctoral degree. The scholarship, a leadership initiative sponsored by AAWCC, will be awarded for use during the 2022-2023 academic year for education expenses related to a doctoral program.

AAWCC created this initiative as an ongoing effort to champion women and maximize their potential. Preference will also be given to women who document completed coursework in community colleges. The **\$1,500 scholarship** will be available through a competitive process.
