AAWCC Scholarship for 2018 LEADERS Institute

The national board for the American Association for Women in Community Colleges supports the advancement of community college women into leadership positions. As a commitment to that mission, the Board will award a scholarship to a national AAWCC member who works at a community college to attend the LEADERS Institute in Monmouth County, New Jersey, June 4 -9, 2018. The AAWCC Scholarship for LEADERS will include registration expenses, a \$1995 value. Scholarship recipients and/or their home institutions are responsible for providing their own travel expenses, including hotel, airfare, etc.

The LEADERS Institute provides leadership development opportunities for women in Community Colleges across the country. Over the course of 37 years of successes, a coalition of more than 6,000 women leaders has been established.

The LEADERS Institute is a five day, content-intensive, experiential workshop, based on the a recently revised curriculum reflecting AACC Core Competencies for Community College Leadership. The LEADERS Institute promotes the development of women's leadership skills and qualities at every level in community college administration and education. The Institute is designed to prepare women leaders for executive-level leadership positions, including the presidency.

Graduates of LEADERS are recognized for their excellence in collaboration, encouragement and support for each other, their appreciation that many styles of leadership co-exist, and continuing expansion of their professional talents based on a strong personal foundation.
